Keely Rink Wins Bonspiel

The Bill Keely rink of Edmonton took top honors in the Drayton Valley Annual Bonspiel held over the weekend.

The Keely rink won the Pembina Pipeline event and the MacCalder Construction Trophy by going undefeated through the 'spiel.

Second in the 1st event was Al Lorenz of Evansburg with Bill Rose of Drayton Valley taking third place and Bill Fiveland of Cynthia in fourth spot.

The Drayton Valley Hotel Event was won by Howie Williamson of Edmonton. Bill Innis of Drayton Valley placed second and Lorne Nelson of Drayton Valley third. Joe Lancaster of Edmonton took fourth spot.

The Bob Bradford rink of Hinton took the Eskimo Fracturing Event with Jack McCoy of Edmonton second, Marshall Vanderploeg of Cynthia third, and Panky's Enterprises of Drayton Valley, fourth.

Slides Planned For 4-H Meeting

On March 7th the Drayton Valley Beef Club will hold its monthly meeting at 7:30 p.m. in the Centennial Civic Center. Slides will be shown by veterinarian Dr. D.C. Kreycik on the diseases of domestic animals. Anyone interested is invited to attend.

HARRY ZOLMER TO ATTEND CONFERENCE

Councillor Harry Zolmer will represent Drayton Valley at an EMO conference to be held in Penhold this week.

Wayne Hobal of Drayton Valley took the trophies in the Redwell Servicing Event with Duane Boliantz of Lodgepole placing second. Ladouceur of Mayorthorpe placed third and Lindale Trucking fourth.

Roses Well Servicing Event was taken by Lionel Wood of Edmonton with the Pembina Meter rink of Drayton Valley placing second. Third spot was taken by John Moody and fourth by Ken Gillis.

Janzens Auto Body Event was captured by Angus Laurie

of Warburg and Grant Cherum of Sedgewick placed second. Ches Farnsworth of Drayton Valley took third spot and Milt McMahon fourth.

John Wronko took the No. 16 Highway Event.

Bonspiel Chairman, Stan Metelski would like to thank all those who helped in any way to make this one of the best bonspiels in the West. To the Donors, Ladies Curling Club, Men's Curling Club, Caretakers, the Curlers, the entertainers—Thank you again.

Plans Going Ahead For Annual Ice Carnival

The Figure Skating Club are presently working on a carnival program which will be held on April 8th in the Centennial Arena.

This year the ice show will feature a cast of 100 pupils and they will be working on the theme "Our Canadian Heritage." Musical arrangements have been selected and the pupils are rehearsing twice a week.

Committees are designing and selecting costumes appropriate to the theme.

Guest performers will be invited from Edmonton and these performers are all members of the Alberta Figure Skating Association.

Aside from the figure skating program for the complete show will be varied since entertainment will consist of bromball, a queen contest and chuck wagon races.

Proceeds to this ice carnival

will go towards the Boy Scout Organization of Drayton Valley.

Chamber Meeting

Regular monthly meeting of the Drayton Valley and District Chamber of Commerce will be held at 8:00 p.m. on Thursday, March 2nd in the Council Chamber of the Town Hall.

About a dozen ratepayers were present for the annual meeting in the Town Hall Monday evening. The attendance was the best in many years and a great improvement over last year when no one showed up.

Town business during the past year was reviewed and reports heard from various committee heads. Mrs. Mary Burrows reported for the Protection to Persons and Property Committee and Dr. R. Findlay for the Recreation Committee.

Several members of council were absent and the reports for their committees were covered generally in a comprehensive report by Secretary-treasurer, Bill Johannesson.

Mayor Pickup, noted at the end of his informative report of the town's progress during the year that he does not plan to continue in office after his present term.

The year 1966 he said was a year of significant advance for Drayton Valley. The two largest financial expenditures, he noted, were the Public Works 5-year program and the Centennial Civic Centre.

Mr. Pickup had words of praise for the Centennial Committee whom he said have done a magnificent job, not only in the planning and building of the Civic Centre, but also in planning the many other aspects of Centennial year.

Commenting on municipal policing, Mr. Pickup stated

that he was convinced that the Alberta Municipal Police Force Act must be re-instituted and enacted to the point where it becomes a reality, including wages, pensions and transfers, in the interests of the various Municipal Police Forces, integrating them into one Municipal Force for all towns not under R.C.M.P. policing.

Touching on the prepaid development program, he said the defeat of Council's request for purchase and development of the "Deby Area" was a great blow to our future. Such a plan, he said, would have seen all present major debentures paid off, and would have resulted in a 15 to 17 mill rate reduction from whatever the

N.D.P. Convention To Be Held Here

The New Democratic Party of Stony Plain Constituency will hold a nomination meeting in Drayton Valley on Monday, March 13th.

The meeting, in the Legion Hall, will start at 8:00 p.m.

At Tomahawk, a public meeting of the N.D.P., will be held at 8:00 p.m. on Saturday, March 4th.

Lions Launch Centennial Project

Five thousand souvenir Centennial dollars were received by Drayton Valley Lions Club last week and are now available at both banks and from merchants co-operating in the Lions project.

It is the hope of the Lions Club that many persons will want to keep the coins as souvenirs and the club could then make a profit to be applied to community projects. However, if the coins are not wanted as souvenirs, they will be redeemed by the club at any time up to December 31st, 1967.

The coins will be used as legal tender by Drayton Valley business places co-operating in the plan and will be worth a dollar in trade. The scheme has been undertaken successfully in other communities to promote local events and the Lions here have expressed the hope that residents will accept the coins and help bolster Centennial enthusiasm.

To commemorate the Voyageur Canoe Pageant in May of this year the coins are illustrated with a scene that

depicts the early explorers and the three major industries of the area, oil, agriculture, and power.

Joe Byciuk of the Drayton Valley Lions Club is shown above admiring one of the bags of souvenir coins.

Oldtime Dances Planned As Centennial Project

Drayton Valley Elks Lodge has announced plans to launch a series of old time dances as a Centennial project.

A welcome is extended to anyone who would like to take part—or if you would like to learn. Among the dances will be waltzes, fox trots, one steps, polkas, square dances and French Minuets.

First dance, of what is hoped to be a continuing series will be held in the Elks Hall on Friday, March 10th.

Earl Kelly, who has undertaken management of the dance, is hopeful of a large attendance that will encourage the club to continue the project which should help create more Centennial enthusiasm.

To commemorate the Voyageur Canoe Pageant in May of this year the coins are illustrated with a scene that

BY MRS. EDITH DEBY

Mrs. Hiawatha Bolander was admitted to the local hospital for emergency surgery recently. Mrs. Bolander's friends will be pleased to hear that she is making a rapid recovery.

Mr. and Mrs. Roy Sired and family of Calgary were in town for the weekend.

Mrs. Dan Bills was in hospital for a few days.

Mrs. Cecil Wall, of Edmonton, was the guest of Mr. and Mrs. L. L. Williams recently. The occasion was Darrel Williams nineteenth birthday.

Mr. and Mrs. Dalton Heyland have settled into their new home at Fort St. John and like the north very much.

Last weekend Mr. and Mrs. Carl Anderson and Mrs. Arnold Anderson went to Fort St. John to visit Arnold who is working on a drilling rig in that area this winter.

Mrs. Harold Hammerlind is visiting her sister, Mrs. Ray Curtis, in Calgary this week.

Drayton Valley can point with pride to the fact that three of its residents have been chosen to participate in the Centennial Voyageur Canoe Pageant. The men are David Ellery, David MacLure and Archie Griffith.

Mr. and Mrs. Nick Urchy-

shyn visited their son-in-law and daughter, Mr. and Mrs. Robert Hunter, in Calgary last weekend.

Mr. Tom Ross, formerly of Drayton Valley, has been in the local hospital for a few days. It's nice to have you back, Tom, but not because you are ill.

Mr. and Mrs. Eugene Urchyshyn have moved to Edmonton where Eugene will take a diesel mechanics course.

Mrs. Edward Hines Sr. left for an extended holiday. She will visit all her sisters and her eldest daughter, Mrs. Bradley.

Remember Mrs. Butler? She is the little lady who used to work at the library and always knew exactly where to find just what a boy or girl wanted to read. Mrs. Butler lives in Ponoka now and writes to us occasionally. Her letters are always interesting. In her last one she paid tribute to Mrs. Cornelia Wood, M.L.A. and, I'm sure, voiced the opinions of many constituents when she mentioned Mrs. Wood's tireless efforts on behalf of the people of Alberta generally and the people of Stony Plain constituency in particular. I join with Mrs. Butler and Mrs. Wood's many friends here in saying "Thank You".

Note--I'll wager one of those three books Mrs. Wood mentioned will be a history in connection with Alberta Women's Institute.

mill rate would otherwise become by 1980 or 1981. "To my mind," he said, "it is essential that such a plan be instituted at the earliest possible date."

Urban Renewal, which would have been undertaken if the Deby purchase had been carried out, was discussed and several questions asked from the floor. It was noted from the floor that many ratepayers apparently did not have a clear picture of what was being attempted at the time of the plebiscite.

of Secretary-treasurer Bill Johannesson. Figures from the financial report were broken down and presented in an easily understandable manner.

In summary, Mr. Johannesson noted that 1966 was a fulfilling year in which the town image continued to improve both tangibly and intangibly. Paved streets, sidewalks, parks, etc. he noted as tangible assists.

and intangibly the youthful, vigorous, progressive attitude of the community.

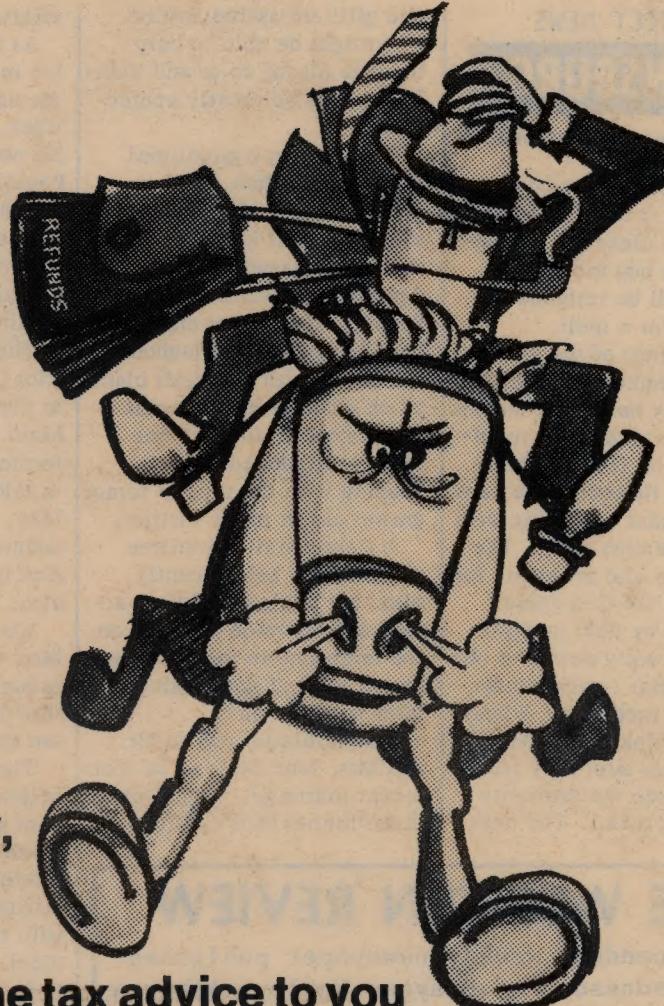

Several questions were asked at the end of the secretary-treasurer's report and answered satisfactorily.

The meeting concluded with discussion involving all present of town affairs that ranged from dog control to recreation activities.

Farm Credit

Questions and Answers

Capital management and financing are vital to profitable farming. Credit, properly used, can often supply the capital for adjustments needed to boost net farm income.

Those of you who are borrowers under the Federal Farm Credit Act or the Farm Machinery Syndicates Credit Act will have a good idea what these programs are about and what they are set up to do. But the Farm Credit Corporation, which administers these loans, receives many requests from others as to how the loans might fit in with their particular operations.

Here are some common questions and answers about the Farm Credit Act.

Q. Am I eligible for a loan?

A. Check against these requirements: at least 21 years of age — demonstrated farm management ability — principally engaged in operating a farm in which you have a reasonable equity (now, or after a loan is made) — some funds or assets of your own to get the farm operation away to a good start.

Q. Will my farm qualify for a loan?

A. Yes, if after the loan is made, it will be large enough and so stocked and equipped that it will produce enough income to give you and your family a reasonable living, pay all operating and maintenance costs and repay all borrowed funds in an orderly way.

Q. How much can I borrow?

A. There are two loan plans. Under Plan 1 you may borrow up to 75 per cent of the appraised value of land and buildings to a maximum of \$40,000. If you are between 21 and 45, and have at least five years farming experience, you may borrow under Plan 2 up to 75 per cent of the value of the farm, livestock and equipment, to a maximum of \$55,000. (Loans made under Plan 2 are further secured by insurance on the life of the borrower through an F.C.C. group policy. Borrowers under this Plan also agree to accept supervision of their farming operations until the loan is reduced to 75 per cent of the appraised value of the land).

Q. Are loans limited to individual farmers?

A. No. Plan 1 loans may be made to partnerships, co-operative farm associations or family farm corporations.

Q. What are the borrowing terms?

A. Loans are repayable over a period of not more than 30 years. The interest is 5 per cent on Plan 1 loans up to \$20,000 and on Plan 2 loans up to \$27,500. Over these amounts the rate varies with the general level of interest rates but is presently 6 1/4 per cent.

Q. Are these loan plans just for big-business farmers?

A. No. On the contrary, if a person has ample financial resources of his own to establish a sound farming unit, the Corporation may refuse a loan.

Q. For what purposes can loans be used?

A. This Act is intended to supply the long-term credit farmers need to organize sound farm businesses. The money borrowed can be used for any purpose that will help them achieve this goal. To date most of the money borrowed has been used to buy whole farms, add acres to present holdings, and to refinance mortgages or agreements of sale on better terms. But loans are also used to modernize building and feeding set-ups, expand breeding herds, buy farm equipment or for any purpose considered necessary to organize a profitable farm operation.

Q. Is there an appeal procedure in the event that a farmer is not satisfied with the decision of the F.C.C. respecting his loan application?

A. Yes. Appeal Boards composed of practical farmers of proven ability are set up in each province to hear appeals.

Q. When is the best time to apply for a loan?

A. Get your application in well in advance of requirements. Appraisals can't be completed in the winter but it is a good time to discuss your credit plans with the Corporation's local Credit Advisor so that he can go ahead with the appraisal in the spring as soon as the roads and fields will allow.

FARM MACHINERY SYNDICATES CREDIT ACT

Q. What is a syndicate?

A. Under this Act a syndicate is a group of three or more farmers, who are operating independently of one another, or who are members of a co-operative farm association (the majority having farming as their principal occupation), and who have signed a written agreement for

CURRENT COMMENT

the joint purchase of farm machinery primarily for their own use.

Q. If my neighbors and I form a syndicate, how much can we borrow?

A. The Corporation can lend you up to 80 per cent of the cost to a maximum of \$15,000 per member or \$100,000 for the syndicate.

Q. What are the repayment terms?

A. Loans are repayable over a period not exceeding seven years, at an interest rate based on the cost of funds to the Corporation and its expenses in servicing loans. The current rate is 6 1/2 per cent. There is also an initial charge of 1 per cent to help cover the costs of making a loan.

Q. How are loans secured?

A. Loans are secured by a promissory note signed by all members of the syndicate, which provides for joint and several liability for the amount of the loan. Chattels or other security may be used in addition if considered necessary.

Q. What must be included in the written agreement?

A. In effect, there are two agreements. One is a general agreement covering points of joint operations common to all syndicates, such as the procedure for adding new members, appointment of officers, keeping accounts and records, etc. The other is a local agreement worked out by the members for their particular syndicate and should cover such matters as how they will share capital and maintenance costs, priorities of use, repair and storage arrangements, etc.

Q. Would a syndicate need help in preparing sharing agreements?

A. The Corporation has ample agreements and check-lists of items that should be considered in working out sharing agreements. Its staff is prepared to advise syndicates in the formative stages and may be able to put you in touch with syndicates which are in operation.

For further information about both Acts, see your local Credit Advisor, or write to the F.C.C. Branch Office for your province:

DISTRICT NEWS

EVANSBURG

Mrs. M. Bruner, Correspondent

Well, after another bout with the flu, I feel I can speak out loud and clear and say that when the flu bug bites one might as well be resigned to feel poorly for a spell.

The members of the 4-H Club were slightly disappointed when they heard the curling scheduled to take place in Edmonton on the 18th had been postponed. However, they are looking forward to curling with the Entwistle club soon. The members are also preparing for their part in the Centennial Jamboree to be held in April. Their chief worry now is to obtain World War I uniforms for some of the members. When we stop to think that these uniforms are now over fifty years old we can see the difficulty in obtaining them. The boys

and girls are asking anyone who might be able to help them to please do so and their help would be greatly appreciated.

The District Agricultural Society held their regular meeting, too. Of interest to sheep breeders is the fact that the sheep classes have been completely revised this year. Several other minor changes have been made throughout the book, with emphasis placed on changes in the grains and grasses section. Some classes introduced more in keeping with the type of forage grasses grown in the district.

A Centennial committee meeting was held recently, also, but being too sick to attend and no voice to speak on the telephone to inquire as to how it went, I shall wait till later to report on it.

Congratulations go to Mr. and Mrs. John De Jong on their recent marriage. Mrs. DeJong is the former Miss Calliou of

Wildwood. As luck would have it, not too much damage occurred in the Szautner home recently when the heating unit blew up. No one was hurt. Mr. Fred Fausak is again busy tending to school business since his re-election as school trustee recently. This will be Mr. Fausak's fourth term as trustee for this subdivision.

The Boy Scout Pembina District Council held their regular meeting here recently. Main topic discussed was the forthcoming Scout camporee to take place sometime in May, the exact date to be announced later. Much discussion took place about badges, also.

We're all sorry to hear that Mrs. Greaves has been feeling rather under the weather while staying in the city with her son and his family.

The FUA local are busy helping to organize a sub-district meeting which will take place in Wildwood in the near future. Main business to be discussed will be resolutions with the highlight of the day a meal, served smorgasborg style and planned by the ladies concerned.

A woman told a marriage counselor that her husband's complaint that he led a dog's life was well founded. "He comes into the house with mud-

dy feet, tracks across my clean floor, barks at nothing, growls at his food and makes himself comfortable on my best furniture" she said.

School Board Holds Organizational Meeting

Organizational meeting of the Board of Stony Plain School Division No. 23 was held in the Divisional Office on Tuesday and Wednesday, February 14th and 15th.

Secretary-treasurer, A.W. Boychuk reported the election of G.E. Jouan in sub-division four, and John W. Tyler in sub-division six. The two newly-elected trustees signed their declarations of office which were filed.

The meeting re-elected Mr. F.W. Maddock as chairman of the board for the coming year. Mr. E.R. Lewis was elected as Vice-chairman.

The whole Board, Superintendent, Assistant Superintendent and Secretary-Treasurer will act as the building committee and the whole Board as salary negotiating committee.

Grievance committee consists of E.R. Lewis, William Barth, the Superintendent and the Secretary-treasurer.

SCHOOL BOARD BRIEFS

The matter of revised Janitors' contracts was brought up for discussion. Samples of contracts from other school authorities were reviewed and discussed.

It was moved and carried that the contract of the County of Smoky Lake be re-typed and submitted to the Board of Industrial Relations for approval.

The Board was informed that an A.S.T.A. Administration Seminar is to be held at the Saxony Motor Hotel in Edmonton on February 23, 24 and 25 and an Orientation Seminar in the Capri Motor Hotel in Red Deer on March 1st, 2nd and 3rd.

It was approved that Mr. G. E. Jouan and Mr. J.W. Tyler be authorized to attend the seminar in Edmonton.

A letter was received from Dr. R.E. Rees, Chief Superintendent of Schools, advising that Mr. E.G. McDonald has been appointed as acting superintendent of the Stony Plain School Division No. 23 until the summer of 1967 when a permanent appointment will be made.

A letter was received from the School Buildings Board advising that \$82,880.00 assistance has been approved for the Wabamun school addition. Since the actual cost of this project was \$99,446.39 less \$4,063.55 receivable in Sales Tax refund this means that \$12,502.84 will have to be contributed from the revenue fund.

A letter was received from Mr. A.B. Wetter advising that the Violet Grove School District has petitioned the Department of Education for the establishment of a separate school district there.

A letter was received from the School Buildings Board advising that \$313,424 has been approved for debt servicing for

until the morning of Monday, April 3rd.

Their function is to protect. The function of a Treasury Branch Safety Deposit Box is the same — to protect.

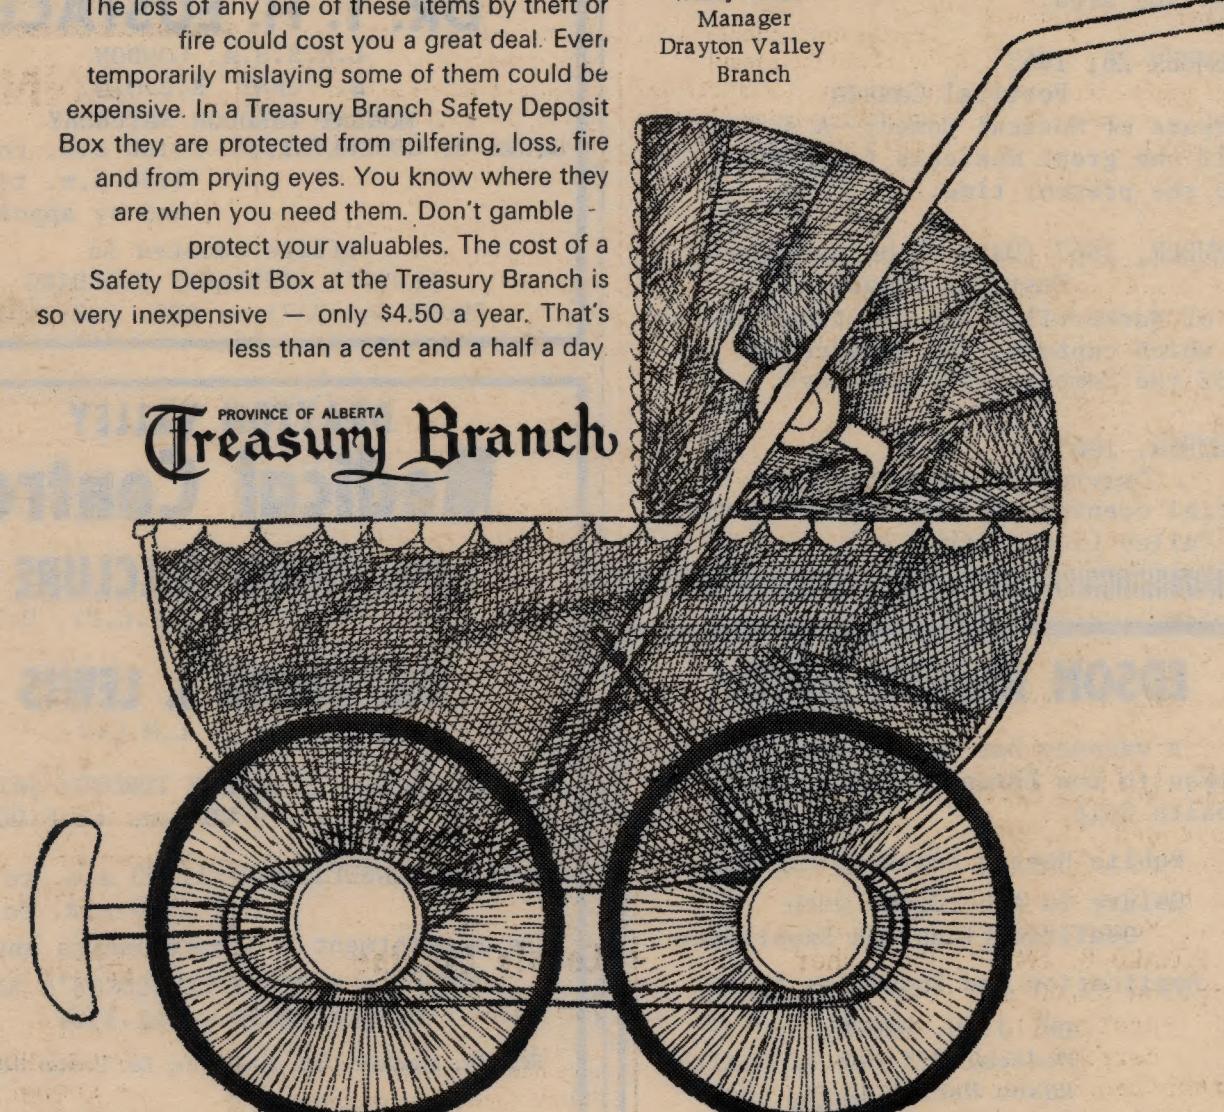

Here are some articles that need protection: Insurance Policies, Birth Certificates, Marriage Certificates, Property Deeds, Your Will, Securities, Bonds, Jewellery.

The loss of any one of these items by theft or fire could cost you a great deal. Even temporarily mislaying some of them could be expensive. In a Treasury Branch Safety Deposit Box they are protected from pilfering, loss, fire and from prying eyes. You know where they are when you need them. Don't gamble — protect your valuables. The cost of a Safety Deposit Box at the Treasury Branch is so very inexpensive — only \$4.50 a year. That's less than a cent and a half a day.

Regular Meeting of Lutheran Ladies' Aid

Regular monthly meeting of Emmaus Lutheran Ladies Aid was held February 16th with eleven ladies and Rev. Drawbaugh present.

We continued our Bible topic study on, "What Does the Bible Say About The Benefit of Holy Baptism?"

Anne Marie Nickle reported numerous cards being sent out. Hospital visitors for March are Mrs. M. Reich, Mrs. E. Rendflesh, Mrs. G. Rendflesh and Mrs. C. Schneider.

Two new books will be added to our library this month.

It was decided to send a subscription of "This Day" maga-

zine to our adopted patient, Miss Heather Lindblad for her birthday in March.

At our March meeting we will have a kitchen shower to acquire more items for the kitchen. A Bake Sale will be held on March 17th.

We wish to welcome two new members to our group--they are Mrs. Greta Schnepper and Mrs. Sue Litzenberger.

A lovely lunch was served by hostesses Nellie Kruger and Eleanor Metzger. Hostesses for our next meeting will be Mrs. Elsiebeth Hagman and Mrs. Doreen Liske.

DISTRICT NEWS

CARNWOOD

Mrs. Rose Saunders
Correspondent

The community was saddened with the passing of another old timer of our district, Mr. H. Stenberg. He came to this district in 1921 and for the last few years has been residing at the Planeview Manor, Leduc.

Deepest sympathy from the community goes out to Mr. Edgar Barnes and family of Drayton Valley on the loss of his mother.

Get well wishes go out to Mrs. George Martin Sr., and Mrs. Mary Holmgren who are patients in the Drayton Valley Hospital.

Miss Lynn Gillespie paid a visit to her aunt, Mrs. Sarah Badgerow of Calmar last weekend.

Visiting at Mr. and Mrs. Gordon Gillespie's home over the weekend were Mr. and

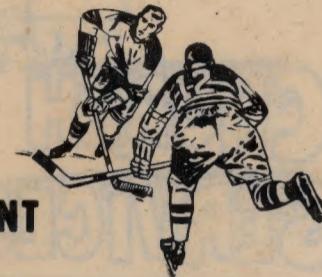

Mrs. Harry Staudt and family of Breton and Mr. and Mrs. Dave Laughlin and family of Berrymoor.

We hear Dougie Sweet had the misfortune to break his arm over the weekend. Hope you're on the mend real soon.

"Everybody Welcome"

In The Legislature

By Mrs. C. R. Wood, M.L.A.

On Friday beginning the third week in the Legislature, the debate on the Reply to the Speech from the Throne suddenly ended. Five Cabinet Ministers gave reports of their departments and all of the Op-

position Members and eleven Social Credit Members took part in the debate--the shortest in history--taking only one week.

At the first night sitting, on Friday, Hon. A.O. Aalborg

Provincial Treasurer brought in the largest budget in Alberta's history. It anticipates expenditures of \$834,428,491 during the coming fiscal year with receipts amounting to \$766,952,024. For the second year, a deficit is anticipated amounting to \$67,476,467 and will be taken from Provincial surpluses. No new taxes were introduced and no direct borrowings made.

An addition of \$20,000,000 is to be added to the School Foundation Program, making a total contribution of \$118,300,000 from the Provincial Treasury. The Homeowners tax discount remains at \$50 for 1967, but several amendments will be made to cover cases failing to qualify in 1966. It will not be retroactive.

Increased costs of health services and subsidies for the Health Care Program and for mental health were provided for with \$168,872,850 being 20.24% of the budget used for this Department. The rate for the Hospital Insurance plan will remain at 4 mills on the equalized assessment. The Welfare program was increased by over \$5,000,000 to a total of \$56,583,370.

The Department of Highways Program is continued and \$40,871,380 is appropriated. Road grants to municipalities amounts to \$26,600,000 including \$9,000,000 to assist cities in building freeways and \$1,000,000 for a new program to help with the cost of improving roads in towns and villages.

Unconditional grants amounting to \$25,085,204 will be made to municipalities. This is based on one-third of the oil and gas royalties received by the Province in the previous year.

Hon. R.H. McKinnon, Minister of Education stated that 24.90% of the budget was appropriated for education for 1967. Enrollments at Junior Colleges, Vocational and Technical schools, and Universities are increasing and increased grants are provided for this. The government feels it necessary to increase local contributions to the School Foundation Program by raising the statutory mill rate from 26 to 28 mills.

Hon. A.O. Fimrite, Minister without Portfolio told of the work of the Northern Development Council and that the \$5,000,000 appropriated for it would be used mostly on airstrips, highways and market roads into homestead areas, for health facilities, water control and distribution and for research.

Hon. F.C. Colborne, Minister of Public Works stated that his department was planning to undertake a large program of construction of public buildings to accommodate the many services provided by the Government.

Hon. H.E. Strom, Minister of Agriculture in reporting for his department stated that research and assistance to all phases of the Agriculture Industry will be widened and money made available to District Agriculturists and Home Economists for supervision and control of field crops and inspection of dairy, livestock and poultry industries.

Mrs. Wood Speaks in Budget Debate

Entering into the Budget Debate in the Legislative Assembly last Friday, Mrs. C. R. Wood (S.C. Stony Plain) spoke of the concern expressed by people and administrative bodies over the trend of increased taxation.

She said that while more money by way of increased grants from the government has been given to schools and municipalities, increased costs are mounting burdens for them.

Under the present monetary system, she said, before the government can make grants it must take the money from the taxpayer. Everybody, she stated, is a victim of the taxation structure under the present set-up.

Mrs. Wood made a strong plea for an educational program under the Human Resources Council to explain the fact that taxation lessens personal freedom and that the Bank of Canada be used to bring about freedom of the individual with security for him.

Klondike Days At Wildwood

Plans are afoot for another big time at Wildwood on March 10th and 11th when the village will celebrate its 4th Annual Klondike Days.

The event, held in the Wildwood Community Hall, will feature Klondike Queen contestants from Wildwood, Wildwood F.U.A., Niton and Evansburg. The Queen contest winner will receive a prize of \$100 worth of luggage and the Princess a Polaroid Swinger camera.

Features of the Klondike event will be costume prizes, a beard contest, dancing girls, souvenirs, concession and others. Door prizes will be awarded both evenings.

Old Landmark Going

Demolition of Block's Store, a long-time Drayton Valley landmark is well underway this week. The store, built in 1936, is being removed to make way for a parking lot in front of the new store.

Temporary Tax Information

Office to be Located Here

The Edmonton District Income Tax Office recently released details of the public information campaign for the 1967 income tax filing period. This program is designed to provide information to taxpayers to assist in the preparation and filing of their income tax returns for the year 1966.

siding outside the metropolitan area of Edmonton, there will be in operation from February 27th through to March 17th free evening long distance telephone service on Mondays, Wednesdays and Fridays between 6:00 p.m. and 9:00 p.m. The number to be called is Zenith 0-3000. This service will not involve any charge for the long distance toll to the party calling the District Office. This service pertains only to matters regarding the filing of 1966 returns and will not be in operation during regular office hours.

A further service to taxpayers outside the Edmonton area will be the establishment of information offices in 15 centres throughout the district served by the Edmonton Office. An information office will be located in the Centennial Civic Centre in Drayton Valley on March 14th and 15th. On the same date an information office will be open in Hinton.

Dr. Horner Reports From Parliament

You will have heard of my announced intentions to contest the Leadership of my party. In the past ten years under the leadership of the Right Honourable John G. Diefenbaker, our party has found new ground, has developed into a truly national party. This was not always so.

To me there is great danger now that our party will again shrink into the hands of the ultra conservative and lose its broad base. To be sure we have been having our problems. Let us hope that we can settle these without the repetition of the likes of the last convention.

Sophistication does not answer problems. It does sometimes cover them up or ignore them.

Much needs to be done to build Canada's future. We must keep our party in the forefront of the human problems. Modernization of our divorce laws, equal income tax regulations for working women are only two which require immediate attention.

Labour strife cannot be al-

lowed to continue with its inequities and its harm of innocent people, not to mention the impact on our country as a whole. A system of labour courts are urgently needed, as much to protect the worker as management.

Emphasis must be on increasing the productivity of our people and our resources through modern techniques. Research in all major fields including medicine must be increased many times.

Trade and primary production must be maintained and expanded.

These are but a few things that must be developed.

To do these things major changes are needed in our Parliamentary setup. Parliament meeting at set dates throughout the year. More power to committees (i.e. legislation is investigated before it goes to the House, not after.)

It is in regard to these matters that I welcome the opportunity to contest the Leadership.

ATTEND MEETING

Harry Zolmer and Barney McGlone attended the annual meeting of the Evergreen Tourist Association in Edson on Monday.

Mr. Zolmer is vice-president of the Association and Mr. McGlone a director for Zone 7.

BERRYMOOR

Mrs. Bea Cropley,
Correspondent

A farewell party was held on the evening of the 13th at the Gordon Holmgren's for Bryan Barrett and Dennis Schwartz prior to their leaving for a term in the navy. The front room was decorated with life-buoy, anchors, streamers and balloons. A cake is the shape of a ship decorated in white with blue trim for railings and around portholes, sailed on silver waves of foil. Everyone enjoyed the games and contests. The boys received lovely gifts and cards wishing them well. Dennis and Bryan left for Calgary the following afternoon.

Ralph and Linda Davidson came from Edmonton to attend the party and spent the next day visiting at the Holmgrens.

On Sunday night Beth returned to Edmonton with them to spend a few days. Grandma Cropley had the pleasure of looking after four lively grandsons.

We are happy to report that Mrs. Phyl Shipton is home from hospital.

Mrs. George Martin came home on Sunday after spending a week in Drayton Valley Hospital. We are glad that she is on the mend.

Jim and Helen Martin came up from Oyen to visit their mother while she was in hospital. They left for home on Sunday morning.

Nelda and Jerry Jacobsen from Edmonton also visited their mother, Mrs. Martin during the weekend.

Mr. Ralph Thatcher has arrived home after spending a few weeks with his son's family, Mr. and Mrs. Ronald Thatcher of Williams Lake, B.C.

The district was saddened by the passing of two old timers, Mrs. Harry Barnes, who taught school in Berrymoor thirty-seven years ago and lived here for many years, passed away

on the fifteenth. She spent her last few years in the Rosehaven Home in Camrose. The funeral service was held on the eighteenth in the Berrymoor Church, Rev. Widem officiating.

Mrs. Ralph Smith passed away in a Red Deer hospital on the 23rd. The Smiths resided in Berrymoor for many years. After their family were all married they moved to Millet where Mr. Smith passed away. Mrs. Smith was laid to rest in the Donalda cemetery beside her husband and a son.

Mrs. Hattie Barrett left for Edmonton on Sunday to visit her daughter, Mrs. Harold Hansen. From there she plans on going on to visit relatives and friends in Jasper, Kamloops and Williams Lake.

John and Ruby Robson were visitors in the district on Sunday.

The Lindale 4-H Swine Club sponsored an amateur hour on Saturday the 25th in the school auditorium. All the contestants did very well. Willard Robinson from Breton placed first; Kathy Swartz and Rodney Shipton from Lindale took second; Rodney placed third again for his comedy act; and Lorraine and Edwina Lauer from Breton were fourth. It was a very enjoyable evening.

The Bible School Students once again took the service at the Berrymoor church on the 26th.

Congratulations go out to Mrs. Anna Van Ember for winning the 3B's Centennial quilt.

Debbie Swap is going in to University Hospital this week. We are hoping she will be home again soon.

Ken Stewart made a trip to Langley, B.C. to move Mrs. Ellen Syley's trailer where they will be taking up residence.

Mrs. Marge Pollard and Mrs. Maryann Dalgren spent the weekend in Edmonton visiting Marge's mother who has been ill.

The Ramona Community league bingo will be held on March 14th at 8 o'clock. The jackpot is \$90.

Mrs. Art Zena is back home from hospital after having her cast removed. She has had a cast on her leg for the past three months.

A baby shower was held on Monday evening for baby Audrea Diana Swap, daughter of Mr. and Mrs. Vancel Swap. Several ladies of the district presented them with a baby high chair.

Air Cadet League of Canada Holds Annual Convention

Annual convention of the Air Cadet League of Canada was held on February 15th and 16th in Quebec City. Attending from here was Roy Hale, chairman of the civilian sponsoring committee the Royal Canadian Legion Branch No. 269, and representing the local Air Cadet Squadron No. 733.

Mr. Hale reports that many items of interest were discussed and unification of the armed forces a point of some concern. The convention opposed any unification of Air, Army or Sea Cadets.

Smaller uniforms are now under consideration as the minimum age for enrolment in Air Cadets has been lowered to 13 years rather than 14 as in the past.

Finances were a major topic of the convention as a matter of great concern at all levels of the league in permitting the organization to continue its program of producing "better citizens of tomorrow."

Locally, the Drayton Valley squadron undertakes a number of projects each year to raise operating funds. Next project coming up for the Air Cadets

is a bingo to be held in the Legion Hall on Monday, March 6th.

Mrs. Louise Mercer of Jacksonville Fla. believes that theives will take anything now. A periodic check of a vacant house she owns revealed the theft of some concrete steps.

PUBLIC MEETING

at

TOMAHAWK COMMUNITY HALL

Saturday, March 4th

at 8:00 p.m.

Open Letter from Lodgepole Rec. Assn.

An open letter from the Lodgepole Recreation Association to the residents of Lodgepole who use the Recreation Area including skating rink and ball diamond.

Recently you were approached to purchase a \$5.00 family or \$3.00 individual membership in the recreation association.

A number of people refused to pay this membership and this letter is an attempt to explain the necessity of the membership dues.

Firstly, what your \$5.00 yearly membership fee accomplishes:

An insurance policy is carried against the possibility that any one should be injured either in skating, i.e., hockey, broom ball, etc. or in baseball during the summer months.

A fund is maintained from this to pay lighting for skating and other incidental repairs or materials that have to be used during the year.

The ice in the rink was made strictly by volunteer labour under the supervision of the local Lions Club with the water being supplied by local trucking firms.

Snow removal is accomplished in the same manner with a schedule set up by the Lions Club, which provides two Lions to be responsible for the supervision and snow removal for a one week interval. Equipment for snow removal was purchased by a grant from the Recreation Association and mounted on a Lion member's tractor as a donation for the winter. Fuel for the tractor has been provided by a nearby service station at no charge. Labour of mounting snow blower, which consisted of welding and materials was accomplished by Lion members

as was the manufacture of snow scrapers and also repairs to the change rooms.

The hockey sweaters, crests, etc. which your youngsters wear when playing hockey were provided from a fund which the Lions Club maintain, and your support by attending various advertised Lion activities.

Hockey supervision for the young hockey players is provided by public minded hockey enthusiasts who realize that time spent in hockey and other sports is a step in the right direction for our future citizens. Incidentally this supervision as well as transportation to surrounding areas to play hockey is done on a strictly volunteer basis.

You might wonder why we like a lively Lions Club with as many active members as possible? Here is your answer. We provide a bit of fellowship, a good deal of work and a dollar that taxes do not provide to purchase things for the younger generation that they could not provide for themselves. All that is asked in return is a bit of tolerance when weather or other conditions do not allow plans to be carried out, and recognition of the fact that there is in your community men who will take some of their own time and effort, a bit of their own personal wealth and try to make your community a better place to dwell.

So come on you Lodgepole citizens who use any of the recreation facilities, lets carry a little of the load as well. Contact your recreation association member today and pay your dues.

Thank you.
Lodgepole Recreation Association.

A.A.R.N. Holds Regular Meet

The regular monthly meeting of the Drayton Valley Chapter, A.A.R.N. was held in the nurses residence, February 8th. The new executive of the Chapter conducted the meeting.

Let's meet the new executive: President, Hy Dahl; Vice-President, Barbara Davies; Secretary, Naomi Schneider; and Treasurer, Betty Johnston. Assisting the executive are various committees: Program, Barbara Davies; Publicity, Bev Orieux; Adopted Patient in Alberta Hospital, Ponoka, Hy Dahl; Library, Bert Simon.

Following the business meeting, a film, "Walk Down Any Street" was shown. The film depicted the diversity of cases with which a social worker is confronted. Various approaches and solutions to the problems are conveyed.

The program planned for the next monthly meeting of the Chapter on March 8th in the Nurses Residence will highlight juvenile crime. The speaker will be Dr. Eustace who has had professional affiliation with penal institutions in England.

B.C. Cadets Win Trophy

OTTAWA--The RCAF Association trophy, awarded annually to the air cadet squadron assessed as Canada's most proficient, has been won by No. 571 Castlegar Squadron, Castlegar, B.C.

The winning squadron was selected by the Air Cadet League of Canada after an assessment of all 369 squadrons in Canada by visiting RCAF officers and league officials.

Local Figure Skaters Tested for Badges

Festival Canada

Festival Canada is Canada on stage. It's the country's wealth of talent, amateur and professional, performing for all.

Festival Canada, the largest entertainment program ever undertaken by a government, is divided into Festival Canada Grants, Festival Canada in the National Capital Area, and Festival Canada on Tour.

This last division, Festival Canada on Tour, will bring top Canadian and international talent to more than 60 cities and communities across the country during Centennial Year.

Western Canada will be represented by Holiday Theatre of Vancouver. The company will start on tour early in September with a special production especially suited to children and before returning in the latter part of December will have played to thousands of youngsters 5-12 years of age from British Columbia to Newfoundland.

Among other Canadian groups participating in Festival Canada on Tour are the Stratford Festival Company; the National Youth Orchestra, with more than 100 young musicians from across the nation; Les Feux-Follets, Canada's National dance ensemble; the national Ballet of Canada; the Charlottetown Festival will be represented with its production of the musical

"Anne of Green Gables". Don Messer and his Islanders and the Neptune Theatre from Halifax will also tour.

International groups on tour include the New York Philharmonic with Leonard Bernstein conducting; the National Theatre of Great Britain led by Sir Laurence Olivier, and the Roland Petit Ballet from France.

Festival Canada is all this and more--its the biggest show the country's wealth of talent performing for audiences across the land at prices that all can afford to pay. And not only performing established works but newly commissioned ones too.

She: Don't you admire a man with principle?

Her: Yeah, and with dividends too.

ROTARY RINK CLOSED

The prolonged period of mild weather has put an end to all skating activities at the Rotary Community Park Skating Rink. Even if colder weather would be in store for us, which is highly probable at this time of year, it would still be very difficult if not impossible to remake the ice surface. March 15 is the ultimate date which we can expect to maintain outdoor ice in this area.

Except for during the Christmas Holidays this rink was not widely used. There was a certain patronage at all times but overall attendance was well below expectations. The usefulness and the practicality of this facility will have to be re-evaluated before a decision is reached as to its possible operation another winter.

FOOTBALL NEWS

We are miles away from the football season but we picked up some valuable yardage for the local minor football program last Monday night. At a meeting of the Huskie Athletic Association in Edmonton it was decided that a team from Drayton Valley would be included in a twelve-team city Bantam league next fall. This league will be the newly formed Bantam "B" circuit with an age limit of 13 years of age as of January 1st, of the playing year and a maximum weight of 125 lbs.

If this operation is successful during 1967 we can hope to have two teams from here playing in city leagues in future years. Along with this Bantam "B" entry we would also have a team in the Bantam "A" league which has an age limit of 15 years and a maximum weight of 160 lbs.

This is a start, a step in the right direction for minor football in this community and something which our football enthusiasts have been working toward for many years. A vote of thanks is in order to the President of the Huskie Athletic Association, Joe Schenn, Bantam Football Coordinator, Len Marchant and the members of the Association who have been most co-operative during the past couple of years and finally made it possible for us to have representation in their city league.

MINOR HOCKEY

With the Rebels playing at Jasper and Hinton over the weekend, the schedule is open for Minor Hockey on Saturday and Sunday. The L.B. Motors Tigers play the Athlone Pee Wee A's on Saturday at 2:00 p.m. The rest of the schedule will be arranged in the next day or so. It is likely that the Pee Wees and the Juveniles will see action here some time over the weekend. On Wednesday evening the Lodgepole Bantams play the Drayton Valley Hotel Oilers at 7:00 p.m. and on Thursday Mayerthorpe is in town for a Bantam game against the Tigers. The Lions face the Rotarians on Friday evening and Saturday morning

in local Pee Wee league competition. While Wednesday and Friday evenings feature Mite hockey in regular league play. The Mites have about three games to play against a Lodgepole team. It is very likely at this late date that all these will be played in the Civic Centre some time in March.

We have a crammed packed schedule as we go into the home stretch of our winter season. From 2:00 p.m. to 10:00 p.m. every day and three or four nights per week the broomball enthusiasts take over for a game at 10:00 p.m. It's certainly an understatement when we say that we have no time to spare at the Centennial Civic Centre

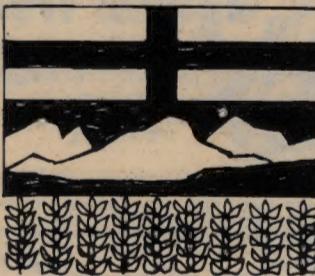

Couples Enjoy Sunny Holiday

Two couples from Drayton Valley arrived home Saturday from a wonderful three weeks vacation in Hawaii. From all reports, Mr. and Mrs. Alf Kublik and Mr. and Mrs. Ross Lyle spent an enjoyable time soaking up the warm weather, deep sea fishing, diving and visiting the outer islands.

Our Alberta Heritage

WHAT'S DIFFERENT ABOUT ALBERTA?

What's different about Alberta? Just about everything, as any proud Albertan will tell you! Where else do you find the unique Chinook, that caressing breeze that coaxes a spring-like balminess out of an ice-locked winter day? Or such a variety of terrain — magnificent mountains, sweeping plains, broad rivers, roaring waterfalls and limpid gem-like lakes. And overhead there's the clean blue sky that gives Albertans more annual sunshine than any point in Canada. We're proud too that visitors take home an impression of "immediacy", the dynamic air of "getting things done" that stems from the enterprise and leadership that are our heritage here in Canada's fastest-moving province — OUR ALBERTA. How to be in Two Places at One Time

It sounds like a magician's trick... how to be in two places at one time. But Dr. Findlay, local chiropractor, has accomplished this feat.

He tells us that he has had the phone company install an Electronic Secretary Telephone Answering Set in his clinic, so that no matter where he happens to be... his office is always open... day and night... to take phone calls.

When you call Dr. Findlay's office, and he happens to be busy or out, you will hear a recorded voice tell you that this is the Chiropractic Clinic and that, while Dr. Findlay is unable to answer the phone, please leave your message, name and phone number, it will be recorded and taken care of as soon as possible.
